A Grand Day of Golf

ProAction Cops & Kids is pleased to announce the renaming of its annual golf tournament in honour of our founding father John Bitove Sr. Building on 22 years of success, the John Bitove Sr. Legacy Golf Classic is the pinnacle of all-inclusive VIP golf experiences. From the exclusive private course, to the list of prominent golfers, luxury gift, delicious dinner, on-course activities and once-in-a-lifetime auction items, you and your guests will be wowed from start to finish.

About Mississauga Golf & Country Club

With a history spanning more than 100 years, the Mississauga Golf & Country Club is highly regarded as one of Canada's most historic and significant golf clubs. It is a natural jewel hidden in an urban setting offering a classic setting and style, with modern agronomy and conditioning.

"Mississauga's physical attributes are as enviable as the unequalled calibre of its membership,"

- John Gordon, Great Golf Courses of Canada

The natural landscape dominates the features of Mississauga, starting with the opening holes that plunge into the valley surrounding the Credit River. It is here that greatness abounds, including the incredible run on holes that play over and along the river, starting at the par 4 7th, and running through to the par 3 10th.

An easy, charming walk, with holes regularly running along and over the Credit River, Mississauga has tested the game's best for decades. The club's fabled "Big Chief"—the par 5 12th—bettered Jack Nicklaus on several instances, but the course has also created great winners.

The Nineteenth Hole – Gourmet Dinner and Live Auction

After a fantastic day on the links, mingle with the other foursomes during the reception and enjoy a delicious buffet dinner. Prizes will be awarded and the evening will conclude with our live auction-a-program, giving our guests the chance to directly support one of ProAction's life-changing programs.

Swing with the Spirit

ProAction Cops & Kids' Golf Tournament is celebrating 22 years of impeccable golf for a great cause!

This signature event proudly supported by the Bitove Foundation has raised over 3 million dollars for ProAction programs since it started in 1996. ProAction's police-initiated programs foster important relationships between cops and kids and provide under-resourced youth with positive role models who lead them to better futures. Police officers are continually seeing positive changes in the attitude and behaviors of the young people they engage and how these young people help to make our communities safer.

For more information about our programs, please visit:

We hope you will join us for our annual golf event in support of ProAction Cops & Kids!
