& kids

2022 ANNUAL REPORT

TORONTO DURHAM HAMILTON HALTON PEEL

Our Strategic Direction

ProAction Cops & Kids

Our Mission

At ProAction Cops & Kids, we bring cops and kids together in skill-building and mentoring programs to create trust, respect, and safer communities.

Our Vision

At ProAction Cops & Kids, we envision a community that trusts and collaborates with police to create safer neighbourhoods and opportunities for young people.

Our Values

Trust | Inclusion | Diversity | Collaboration | Accountability

Our Priorities

1 | Funding Programs

Support high impact and vibrant police-youth programs. Build and grow best practice programming with measurable impact and expand to new regions through community and police engagement.

2 | Raise Awareness

Build the image, profile and presence to broaden support for ProAction's mission. Implement a communications and marketing strategy that leverages newer technologies and increases ProAction's relevance with youth.

3 | Sustainability

Increase and diversify ProAction's revenue generation strategies. Develop and implement a national revenue diversification plan that expands corporate involvement, leverages special events and supports local chapter fundraising.

427,828 Youth

Since our inception in 1991, ProAction Cops & Kids has provided funding to support police-led programming positively impacting the lives of 427,828 youth. We continue to support our police partners year after year to ensure more youth are given opportunities and access to activities they cannot afford.

5 Chapters

ProAction Cops & Kids operates in five chapters across Ontario. The charity began in Toronto (1991) then later expanded into Durham Region (2007), Hamilton (2008), Halton Region (2017) and Peel Region (2021). ProAction continues to expand its reach in Ontario and looks forward to welcoming new chapters and new communities in the future.

\$9.1M in Program Funding

Since 1991, we have distributed over 9.1 million dollars in funds to support our police-led programming. The demand for program support is once again increasing amongst our current police partners, as well as with other Ontario police services who are interested in becoming involved in our work.

2,391 Programs

We are proud to partner with many police services and provide funding for officers to lead police-initiated programs for vulnerable youth living in under-resourced communities. To date, we have supported 2,391 programs across all ProAction chapters thanks to the leadership of over 20,000 police officers.

Message from the President

Following two very challenging years for most charities, including ProAction, 2022 unfolded in a much more positive fashion – especially over the last six months of the year.

The need for our type of police-led programming remains both high and important. Our programs build skills, relationships and trust. They change attitudes. We were pleased to see the number of programs build towards historical levels across all five of our chapters. The range of programs continued to be diverse with new program ideas being evolved across our network.

One of our strategic priorities was the building of a successful chapter in Peel Region, which was launched in 2021. Through the commitment of Peel Regional Police, our Peel Council and the local community, we are off to a great start. A series of unique officer-led programs have evolved in Peel over the last two years and an impressive series of fundraising activities were undertaken in 2022. We were especially appreciative of the fact that ProAction's Peel Chapter was the primary beneficiary of the Inaugural Peel Regional Police Chief's Gala in November 2022.

In support of our growing range of programming we continue to lean on our friends and supporters to drive fundraising activity. This included our tried-and-true golf tournaments at the Mississauga Golf & Country Club, the ISN Golf Tournament at the Royal Ashburn Golf Club, and newer activities such as those undertaken in Peel. Our Holiday Giving Campaign and Auction achieved its aggressive targets once again in 2022.

Certainly, the highlight of our fundraising efforts was the development of Monopoly: Toronto Edition. We are so proud of the final product as we secured the support of many of Toronto and the GTA's most iconic landmarks, destinations and venues, supporting a total of 11 GTA charitable organizations with the sale of each board.

Our launch at Toronto Police Headquarters was covered by all major broadcasters, which served to raise our profile in the community. Monopoly: Toronto Edition and ProAction were very high profile for days! We have sold thousands of games and will continue to sell them until our inventory is sold out. The game remains a great gift idea! I can't thank the small team who took on this project enough. It was a massive undertaking – especially for a small charity. I also want to thank those organizations who bought space on the Board in celebration of our great city.

As we move into 2023, we remain confident that our programming efforts can make a difference in the lives of both youth and officers and the communities in which we partner. We will touch even more lives across our chapters this year and thank officers in our communities for their time and effort in developing and running these impactful programs.

I also want to thank our many supporters who have stood by us during some challenging times over the last three years and have been integral to our success.

To our staff, Chapter Council and Board members, police organizations and officers, Rod Black and Human Contact, thank you for the time and dedication you invest into ProAction in support of our many youth participants. Each of you understands that our mission to bring cops and kids together through our programs has successfully been creating trust, respect and safer communities since 1991, and continues to create life-changing opportunities for youth across all of our chapters.

STEPHEN KOURI
PRESIDENT, BOARD OF DIRECTORS

30th Gala

ANNIVERSARY

PROACTION
— cops —
& kids

On Saturday, May 7, ProAction Cops & Kids held our 30th Anniversary Gala at the Royal Ontario Museum welcoming over 200 supporters, donors and award winners from our five ProAction Chapters. Our return to in-person events was a fantastic success!

Hosted by Canadian Icon and Sports Broadcaster Rod Black, guests enjoyed fantastic videos created by our partners at Human Contact, featuring heartfelt messages and stories from police partners, Board and Council members and past ProAction program participants.

ProAction program officers were recognized for their dedication to providing skill-building and life-changing opportunities for young people, and award-winning youth were celebrated for demonstrating exceptional commitment and for achieving goals that, at one time, were thought to be unattainable.

The evening offered a live stream component for those who could not attend in-person, including an entire family who tuned in from Brazil to celebrate their granddaughter's award. The stories shared throughout the evening inspired guests and solidified ProAction's deep commitment to working collaboratively with our police partners for the common goal of building stronger safer communities.

Thank you for helping us celebrate 30+ years of impactful programming and supporting ProAction in providing young people with life-changing opportunities.

2022 John Bitove, Sr. Legacy Golf Classic

The 2022 John Bitove, Sr. Legacy Golf Classic was another smashing success!

We were thrilled to welcome over 130 golfers to the Mississauga Golf & Country Club as we returned to in-person events and finally had the opportunity to gather on September 12, 2022 for the entire day.

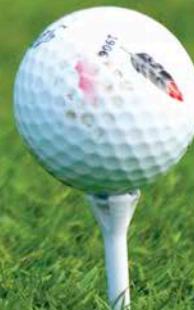

ProAction Cops & Kids' golf tournaments have long been instrumental in raising the much-needed funds to support a growing number of police-led youth programs. Through the support of our sponsors, golfers and donors we were delighted to raise almost \$120,000 to support ProAction youth.

Each year, ProAction aims to provide golfers with a one-of-a-kind experience and that is what we delivered! From the exquisite food, fantastic course, amazing facility staff and fantastic giveaways, the day was exceptional and greatly enjoyed by all. Players had the opportunity to meet many of our fantastic program officers from Toronto, Hamilton, Halton and Peel Regions and to hear more about the impact that ProAction programs have on young people, giving a unique perspective into community policing and all that goes into running a ProAction program.

We would like to thank our many sponsors and in-kind donors who helped to make the event that much more memorable.

Thank you for your contribution, for the time spent learning more about ProAction's work and for helping us give young people new opportunities that lead to better futures.

We greatly appreciate the dedication and support you have shown this charity and hope you will join us again next year!

The Bitove
Foundation

RESIDENTIAL

CDW ENGINEERING

Peel Chapter 1st Anniversary

On Thursday, October 6, ProAction Cops & Kids' Peel Chapter welcomed 80 guests, officers and community supporters to its One-Year Anniversary Celebration at 17 Steakhouse & Bar!

The event was a tremendous success as attendees dined on delicious food, enjoyed fantastic company and rocked out to live entertainment from JoJo and the Chintos, led by Peel Regional Police Chief Nishan Duraiappah. Hosted

by Sangita Patel of ET Canada, we were honoured to welcome many special guests including Mayor Bonnie Crombie and members of the Regional Municipality of Peel Police Service Board.

Guests were touched by Det/Cst. Tom Rodziewicz's story about why he developed the PRP Jr. Mechanics program. Program participant, Davontaye, and his mom, Cauline, were also on hand to share the impact that the program has made on Davontaye's life.

Thanks to your generous contributions, the ProAction Cops & Kids Peel Chapter raised over \$33,000 to support police-led youth programs in the Peel Region. We couldn't do it without you!

Third-Party Events

Three Amigos

Since 2009, the Three Amigos golf tournament has generously supported ProAction Cops & Kids and our mission to create trust, respect and safer communities.

After a two-year hiatus due to the Covid-19 pandemic, the 2022 tournament was greatly anticipated. Unfortunately, due to the massive damage created by Hurricane Ian in September, the tournament was forced to be cancelled.

But that didn't stop our incredible partners who opted to go ahead with an evening of celebration and generously contributed their support to ProAction Cops & Kids raising over \$28,000.

Thank you so much to everyone who participated – without you we would not be able to support the growing demand for ProAction's impactful programs, changing the lives of youth in our communities.

ISN 5th Annual Golf Tournament

On Tuesday, September 27, the 5th Annual ISN Golf Tournament in support of the ProAction Cops & Kids Durham Chapter welcomed 120 golfers to the beautiful Royal Ashburn Golf Club in Whitby.

Golfers enjoyed a fantastic day of golf, games, raffles, prizes and delicious food. The weather was beautiful, and the turnout was spectacular.

ProAction staff had a great time hosting the putting contest and promoting Monopoly: Toronto Edition, while we greeted our many supporters.

We are thrilled to announce that the tournament raised \$20,000 to support ProAction programs in the Durham Chapter.

Congratulations on a wonderful event and for providing the Durham youth with opportunities they wouldn't otherwise have!

Thank you to Durham Chapter Chair, Dave Perry and his team at ISN for hosting this event.

PRP Chief's Gala

On Thursday, November 24, ProAction Cops & Kids' Peel Chapter was honoured to be the benefitting charity for the Peel Regional Police Chief's Inaugural Gala, held at the International Centre, Mississauga.

Dignitaries from across Peel Region and the Province of Ontario, along with over 500 supporters and donors, were amazed by the transformation of Hall 1 into a Tiki Bar Oasis filled with beautiful décor, fantastic entertainment and amazing stories.

Hosted by Catherine Murray, The BUCK Stops Here and BNN Bloomberg, guests were touched when Catherine invited program participants from the Bonnie's HorsePower program to join her on stage and share why ProAction programs are so important in the lives of young people.

The evening was a wonderful success, and we are thrilled to share that over \$270,000 was raised in support of the ProAction Peel Chapter. Thank you to everyone who made the evening one to remember.

2022 Holiday Giving Campaign

ProAction held our second annual Holiday Giving Campaign between November 28 and December 2.

The campaign highlighted programs from all five ProAction Chapters, and featured an amazing online auction, with a total fundraising goal of \$60,000.

The campaign was, once again, launched on the ProAction Event Portal with the generous support from our partners at Human Contact and included program content and photos, stories about the programs and participants, videos and fun games that had our supporters competing for great prizes!

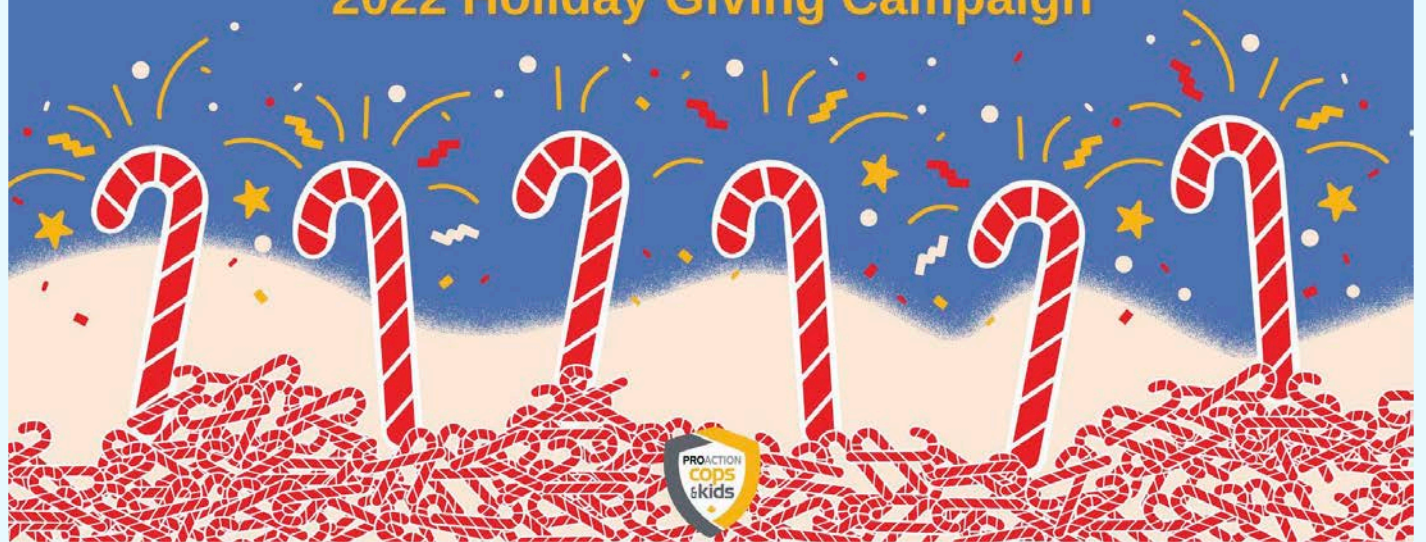

As the week went on, our supporters watched daily while the candy cane image on the ProAction Portal continued to fill one by one and each candy cane exploded with a shower of treats when another goal was reached!

We were extremely excited to receive multiple matching donations from donors in all of our Chapters, helping us to achieve our goals.

When the sprinkles, candy and confetti settled, we were thrilled to announce that, thanks to the overwhelming support from our partners, donors and auction winners, we exceeded our goal, raising over \$70,000 during the 2022 Holiday Giving Campaign!

Thank you to everyone who supported our efforts and to our many matching donors for helping us to achieve our goals, offering youth in our communities the opportunity for a successful and brighter future!

**Thank you for supporting the ProAction Cops & Kids
2022 Holiday Giving Campaign**

TORONTO

2022 Award Winners

PC Alexandru Benyi, 12 Division
Jack Sinclair Award Winner

The Jack Sinclair award recognizes the police officer with the most innovative police-youth program in Toronto.

PC Alexandru Benyi from Toronto Police Service 12 Division is a certified tennis instructor that has worked with Team Canada and Team Ontario.

The Weston Tennis Stars program began in the rear of community housing buildings using run down and poorly maintained tennis courts but thanks to PC Benyi's encouragement, the community members and fellow officers worked to clean up the courts, making them safe and useable.

This program has had a major impact on police-youth relationships in 12 Division as PC Benyi has welcomed fellow Neighbourhood Community Officers and primary response officers to regularly participate and assist in the program.

PC Benyi's professional background and knowledge of the sport accompanied by his dedication to the youth in his community makes him extremely deserving of the Jack Sinclair Award.

PC Dale Swift, 33 Division
Jim Snee Award Winner

The Jim Snee award recognizes the police officer who has shown the most remarkable level of commitment to police-youth programs in Toronto.

PC Dale Swift began developing the Riddim and Blues dance program in July 2021 after recognizing the need for alternative, physical activity programs for local youth that were not sports-related. In this case, PC Swift used dance as a tool of self-expression for participants helping them to bridge gaps and develop relationships while focusing on mental health education and awareness.

The "Riddim and Blues" program allowed for youth who are typically withdrawn, socially, to gain a voice and the self-confidence to be who they are, and have the interests and opinions they have, without fear of judgement or ridicule.

PC Swift is always looking for ways to strengthen relationships between police and the communities they serve and is always willing to share and inspire other officers to do the same. The dedication, caring and support he shows to the communities and people he serves deserves the utmost recognition.

TORONTO

2022 Award Winners

Alexia
Youth Award Winner

Alexia actively participated in the Westhill Cops & Kids Baseball program during its six-week run.

Throughout the program, she took on several roles and was most memorable for her abilities to play short stop, outfield and third base.

Alexia demonstrated fantastic abilities in hitting, catching, throwing, fielding and base running. Through officer instruction, she was able to demonstrate preparedness, concentration and focus. During scrimmage, Alexia demonstrated competitiveness and self-confidence. Her ability to think on her feet demonstrated her adaptiveness.

During the program, Alexia developed valuable skills such as risk-taking, strategizing, patience, perseverance and social skills. She gained self-confidence and became a leader within the program learning the importance of teamwork and communication.

Congratulations, Alexia, for your much deserved 2022 Toronto Youth Award. We look forward to seeing you continue to develop as a strong leader in your community.

Aliza (Sophie)
Youth Award Winner

Aliza was an integral part of the Riddim and Blues program as a participant, volunteer and leader acting as PC Dale Swift's right-hand. She took responsibility for registration, attendance, program logistics, catering, timekeeping for group discussions and dance lessons, and liaising with her peers to collect suggestions for discussion each week. She participated in the group talks and encouraged her younger counterparts to feel safe and share.

Staff supervisors at the community centre noticed her work ethic, dedication and empathy for the young participants and, as a result, she was offered a job with the centre in 2023.

Aliza shared with PC Swift that she believes the program gave her a voice and the empowerment to be a better version of herself.

Aliza has newfound confidence and is always looking for ways to better herself to continue her growth. She is extremely deserving of the 2022 Toronto Youth Award, and we congratulate her on overcoming many obstacles as she continues to thrive to be the best person she can be.

HAMILTON

2022 Award Winners

Cst. Patrick Cole,
Division One – Patrol
Most Innovative Police–
Youth Program

Cst. Patrick Cole has always been involved in the community recognizing the need to improve the relationship between youth and police, particularly for new immigrants who may come from backgrounds where police are not seen in a positive light.

Throughout both of his ProAction programs, K9 & Cats and Horses & Homeruns, Cst. Cole educated the youth on different operational units within the Police Service while recruiting the K9 Unit and the Mounted Unit to further engage youth through use of animal interaction.

Cst. Patrick Cole is a dedicated member of the Hamilton Police Service whose approach to developing and building trusting relationships between youth and officers is extremely innovative and makes him very deserving of recognition for his hard work.

Cst. Jason Droblich,
Division One – Patrol
Most Remarkable Level of
Commitment Award Winner

Cst. Jason Droblich has successfully developed and led the Medicine of Peace program since 2019, offering eight fantastic sessions to the Hamilton community. This essential program is aimed at developing the relationship between police and urban Indigenous youth. In doing this, Cst. Droblich has opened the lines of communication allowing the Hamilton Police Service to strengthen relationships with the Hamilton Indigenous Community as a whole, while continuing to contribute to reconciliatory actions.

Cst. Droblich is incredibly passionate about the Medicine of Peace program and has immersed himself into the teachings of the Indigenous community so that he may fully understand and respect the youth and members. As a result, Cst. Droblich has been welcomed into the Indigenous Community and has even been invited into drumming circles during Sunrise Ceremonies.

HAMILTON

2022 Award Winners

Abdul

Youth Award Winner

The Youth Award recognizes the Hamilton youth who demonstrated the highest level of personal growth causing him or her to stand out as the young person who has benefited the most from a police-youth program in 2022.

Abdul was a participant in both of Cst. Cole's programs, Horses & Homeruns and K9 & Cats, during 2022. Throughout the programs, Abdul's enthusiasm was contagious. He always had a smile on his face, and his positive attitude was incredible! Thanks to the wonderful experiences he had, Abdul is potentially considering a career in policing because of the relationships he has now built with Hamilton officers.

Abdul has developed his self-confidence and experienced great personal growth as a result of these programs and the Hamilton officers look forward to welcoming him back to other programs to continue supporting him in his growth.

HALTON

2022 Award Winners

Chloe

Youth Award Winner

When Chloe first attended Cst. Dawn Freeland's M.Y. Camp program she was very quiet and would not make eye contact or speak in front of the group.

Soon though, Chloe was participating in many activities outside her comfort zone and by the fourth day, Chloe's confidence grew enough for her to face the Police PREP fitness test. While others were afraid to try and fail in front of the group, Chloe never gave up and completed all obstacles she faced.

Since M.Y. Camp ended, Chloe has had less anxiety about going to school, she is making new friends, trying out for sports teams, has joined some clubs, tried out for a speaking role in a school play and she even spoke in front of the whole school at a recent assembly.

We're so excited to recognize Chloe for all her accomplishments.

2022 Award Winners

**Cst. Les Smith,
Equity & Inclusion Unit
Most Remarkable Level of
Commitment Award Winner**

Prior to becoming a police officer, Cst. Les Smith was a licensed mechanic. His knowledge and expertise were essential during the beginning stages of the PRP Junior Mechanics program, where he was instrumental in developing lesson plans, creating PowerPoint presentations, and coordinating with management at the Peel Regional Police garage.

Importantly, Cst. Smith was able to create a safe environment where participants could easily learn. His attitude, teaching ability and approachableness were key reasons why the PRP Junior Mechanics program was so successful.

Cst. Smith leveraged his networks and relationships to bring in other mechanically inclined officers to assist with this program and he has been credited with the strong success of the PRP Junior Mechanics program, ensuring a strong cohesion between the program officers, participants, and staff.

D/Cst. Rodziewicz, lead officer of the program, looks forward to working with and leaning on Cst. Smith when developing another successful session in 2023.

**D/Cst. Tom Rodziewicz,
11 Division – CIP
Most Innovative
Police–Youth Program**

D/Cst. Tom Rodziewicz developed and ran the PRP Junior Mechanics program with the intention of providing youth in Peel Region with an opportunity to learn about automotive mechanics through rebuilding and restoring a car.

The mechanics program itself was unique, but D/Cst. Rodziewicz pushed beyond the initial idea entering the vehicle into a demolition derby, driven by Deputy Chief Mark Andrews, which was both visionary and exceptional – especially considering DC Andrews finished in second place! The boost to morale for all involved was very positive.

The PRP Junior Mechanics program is a strong example of an innovative program. D/Cst. Rodziewicz made it a point to look beyond the typical sports type of programs and think outside the box to offer a program that allows the youth to develop a skill that can be carried forward into their future lives and potential job opportunities. His effort and genuine interest in the program are what made the difference.

2022 Award Winners

Breanna
Youth Award Winner

Breanna successfully participated in the Peel Culinary program throughout 2022 where she was tasked with measuring and prepping ingredients for dishes the participants were collaborating on, chopping vegetables, herbs and fruit, and prepping various meats. She was extremely motivated and eager to learn, attending each culinary lesson with open mindedness and positivity. Breanna evolved to be a true leader who would never hesitate to help fellow classmates who required assistance.

As Breanna's knowledge grew, she started making suggestions on how a dish could be adapted based on the availability or affordability of ingredients. Breanna approached the hands-on culinary lessons with maturity; it was clear that Breanna took an interest in the culinary arts.

Breanna's personal growth and improved self-confidence, along with her passion and newly acquired knowledge in the Peel Culinary program makes her extremely deserving of the 2022 Peel Youth Award.

Congratulations, Breanna, for your hard work and commitment!

Samiyah
Youth Award Winner

In the early sessions of the Bonnie's HorsePower program, Samiyah spoke very quietly, almost near a whisper. When the participants took part in program activities, Samiyah was always willing to provide the requested input; however, she projected the answer at a very low volume as she did not feel comfortable speaking in front of the group.

To ensure Samiyah felt comfortable participating with her peers, the program officer standing closest to her would relay her answers repeating them out loud for everyone to hear. Samiyah came to learn that her voice deserved to be heard and her input was valuable no matter how it was put forward.

Samiyah had never provided an answer without first being prompted until the Babysitter's Course certification held in the final weeks of the program. When tested on their first-aid training, Samiyah answered louder than ever before and followed up with seven more answers. The officers worked with the participants on confidence and voice projection, reinforcing the knowledge that they all deserved to be heard. Seeing this tremendous growth in Samiyah was beautiful and rewarding.

Samiyah has truly grown and stepped outside of her comfort zone while participating in the program and we look forward to seeing her confidence grow.

Youth Leadership Award

Markia

The Youth Leadership Award recognizes the youth who has demonstrated the highest level of leadership potential from a police–youth program across all ProAction Chapters in 2022.

Markia was a participant in both the 2022 Bonnie’s HorsePower spring program and fall leadership program where she proved to be patient, dependable and adaptable while exhibiting a natural enthusiasm and confidence that made others feel welcome and at ease. Markia is also authentically and unapologetically herself and is not afraid to stand alone in her opinion.

Within her school community, Markia is a student ambassador with the Peel Black Family Engagement Committee and is involved with Agents 4 Social Change, an Afrocentric summer

program. School personnel speak very highly of Markia, eagerly supporting all she does.

When Markia was asked to speak about her experiences in the programs at the Peel Regional Police Chief’s Inaugural Gala, she willingly seized the opportunity. Though nervous about being on stage in front of 500 people, she broke out of her comfort zone speaking to her audience in a confident and commanding manner. Markia displays leadership qualities that are well beyond her 13 years of age, and it is clear that she has a bright future ahead of her.

John Bitove Sr. Award

Cadillac Fairview Corporation Limited

The John Bitove Sr. award recognizes the corporation or foundation that stands out in supporting ProAction Cops & Kids. This year, Cadillac Fairview (CF) is being recognized for their incredible support of Monopoly: Toronto Edition.

In addition to a very generous sponsorship of three properties on the game board, Toronto Eaton Centre, Sherway Gardens and TD Centre, valued at over \$115,000, CF and their fantastic team, has been incredibly supportive of the creation and sale of Monopoly: Toronto Edition.

Through collaboration, promotion, sales and participation in various activities, including our November 2022 launch, CF has worked tirelessly to help ProAction succeed in producing a top-

notch product that our sponsors and partners are proud to put their names on.

Since we first approached the CF team in 2021 about their participation in the creation of this exclusive limited–edition game, they have been wonderful to work with and keen champions of the project. CF’s mission to have a positive impact in the cities and the communities in which they operate has been fully recognized thanks to their involvement with Monopoly: Toronto Edition and ProAction thanks them for their support of this impactful project that is benefiting people, charities and industries across the GTA.

MONOPOLY

TORONTO EDITION

Official Launch

On Thursday, November 10, ProAction Cops & Kids launched the Monopoly: Toronto Edition board game with Toronto Police Chief James Ramer, CF Toronto Eaton Centre General Manager Sheila Jennings, ProAction Cops & Kids Board President Stephen Kouri, and Ethan, a youth ambassador from the SickKids Foundation.

The event celebrated the launch of the new game and raised awareness about the positive impact each sale of the game will have on charities and communities across the GTA. For each game sold, a portion of the proceeds will be redirected to 11 charities.

Licensed by Hasbro Inc., Monopoly: Toronto Edition is a limited-edition version of the classic board game that features many of the most iconic Toronto brands, venues, and destinations. From the CN Tower to Canada's Wonderland, to the bright lights of Mirvish Theatre, the vibrancy of CF Toronto Eaton Centre, and the wonder of Ripley's Aquarium of Canada – Monopoly: Toronto Edition is a shining example of all this great city has to offer.

"I am pleased to offer the support of the Toronto Police Service on this collaborative initiative that will help charities providing valuable services in neighbourhoods across the city," said Chief James Ramer. "The Service's 30-year partnership with ProAction Cops & Kids helps us build trusting relationships with the communities we serve and gives kids life-changing opportunities."

ProAction Cops & Kids is honoured to be partnering with incredible sponsors and partners across Toronto to support the city and its communities. Designing the game was a collaborative effort and only possible through the support of each sponsor and the iconic destinations on the board.

We have been thrilled with the response to this labour of love and thank everyone who sponsored, supported and purchased a game.

Games will be available while supplies last so please visit www.monopolytorontoedition.com to purchase your game today!

"I wish everyone could witness the impact ProAction Cops & Kids has on those that participate in the program. Words alone cannot describe the positive effect our officers have on these kids, as well as the positive effect the kids have on our officers. You can see the trust being built when they work together. ProAction provides a safe, fun and empowering environment for kids to learn and develop. As a police officer, it is refreshing and rewarding to be a part of this experience.

"The Hamilton Police Service is honoured to report a steady return to programming post pandemic. In 2022, we hosted seven programs that focused on both strengthening existing programs as well as increasing exposure to new youth and officers. The road back to previous program levels is encouraging as we see increasing signs of need and desire to re-invest in youth engagement. Our programs continue to create meaningful life lessons for both our youth and our officers. HPS officers continue to demonstrate that they are extremely dedicated to volunteerism, modeling our mission to serve and protect in partnership with our communities. Thank you to all our community sponsors and donors for their support of our initiatives. Your support allows us to shape many positive youth and police experiences in Hamilton. We look forward to another great year of building community in 2023. Together. Stronger. Safer."

Mounted Unit and HorseCapades

"Peel Police persevered and launched our partnership with ProAction Cops & Kids at the height of the pandemic. In 2022 we saw the return to normalcy. This said, our ProAction programs last year were timely and benefitted our youth and officers alike. The positive relationships and bonds developed through our 2022 programs contributed to the resiliency and wellness required post-pandemic. The Peel Chapter is off to a great start and we look forward to bigger and better things to come! Thank you to our ProAction partners, to our officer program coordinators and all involved youth."

– Inspector Pete Danos & Council Chair Derek Guile
